

1/27/2025 Update:

*Although the hotel reservation cut-off dates have passed and dedicated booking links at 3 hotels have expired, a limited number of rooms may be available. See contact info **in red below** to inquire about room availability.*

HOTEL ACCOMMODATIONS

There are several hotel options on the Upper West Side that are convenient to BJ. As a courtesy, BJ has made arrangements with the following hotels within walking distance of the synagogue. Rates have been discounted and/or certain fees waived, but the rates themselves can fluctuate. **Reservations should be made as soon as possible since most of these hotels have established cut-off dates for BJ's discounted rates and have blocked off a finite number of rooms for BJ Shabbaton guests.**

Please use the booking links below to reserve your room and read carefully, as information differs between hotels. Keep in mind that hotel rooms in New York may be smaller than what you're used to, and that interactions between you and the hotel are solely your responsibility.

Helpful hints: Before clicking on the booking link, peruse the hotel's website to learn about the property, amenities, check-in times, etc. For additional hotel information, including a comparison of rates, amenities and more, [click here](#). Consider sharing a room with another BJ member to reduce expenses. Let us know if you'd like to be put in touch with someone interested in sharing a room.
